The Retriever Stock Chaser is a 36 vdc, fully electric utility vehicle with a large cargo deck to fit a wide range of load sizes. It is ideal for getting your inventory, tools, equipment, plants or parts from where they are to where you need them.

The Gopher has a 6,000 pound towing capacity and can be customized to fit your particular needs.

Standard features:

- **36v, 110v onboard charger:** easy access plug-in for an easy charge.
- **NAPA brand AGM batteries:** Batteries can be serviced at any NAPA in the United States.
- **Pneumatic tires (4):** Best for use on unimproved surfaces.
- **Operator presence switch:** Helps to prevent unintended Retriever movement.
- **Key Switch:** Control access to your Retriever
- **Composite Deck:** Strong, Durable and Light Weight.*
- **Hour Meter:** To monitor day to day activity and keep up with scheduled maintenance.
- **Back-up Alarm:** Safety first not only for the operator, but for those nearby as well.
- **Safety Grab Bar:** To steady the operator when needed.
- **Programmable Speed:**
We can set the speed from the factory to what best suits your needs!

The Retriever Stock Chaser is ideal for use in Distribution Centers, on School Campuses, Athletic Departments, Plant Nurseries or any other business where moving lite loads is required and makes traversing longer distances more efficient.

Not only is the Retriever ideal for commercial use, but it is great for recreational use as well! Anything from transporting your sports fishing gear to your boat to farm use!!

Options:

- **Solid tires (4):** Maintenance free tires that are best suited for improved surfaces.
- **Seat attachment:** If you don't want to stand, take a seat.
- **Fishing rod holders:** Take the work out of your fishing trip when loading your boat!
- **Tool Box:** When you need to take the tools to the job.
- **Custom Wrap:** Promote your Company or your personality.
- **Gun Mount:** When you need to take your rifle...we have the solution.
- **Tie Down Points (4):** For easy tie down when you are transporting your Retriever by Land, Air or Sea!!
- **Trailer:** When you want to lessen your trips moving cargo!
- **Ladder:** The on-board ladder makes reaching items on shelving easy.
- **Corrosive Resistant Deck:** Rugged, durable and longer lasting.**
- **Strobe Light:** To make the Retriever more visible when operating.
